Our Policies:

The best possible effort will be made to have the illustration be as detailed as possible, however please keep in mind this is a fashion illustration and interpretation, not a traditional portrait. The facial features, hair and some details will have a stylized look. The goal is to capture the overall look and feel of the gown itself. Each piece is an original work; no two will be exactly the same. Customer satisfaction is our top priority and we will do our best to accommodate special requests.

Privacy: We reserve the right to use the final sketch in our marketing materials. We will keep all personal information about the bride private.

Will you authorize use of the bride's first name only for possible external marketing pieces (including but not limited to our website)?

Yes No

Completion time: Orders will be started after payment is received and all information is received. If we feel that we need more information or have any questions, we will contact the point person listed above. Orders may take between 6-10 weeks to complete, depending on schedule.

Shipping: All orders are shipped via UPS ground unless otherwise specified. If priority shipping is preferred, customer will be charged appropriately for any additional cost.
